## **NO SHOW POLICY**

**We regret patients must sometimes wait a lengthy time to be seen by a physician. Due to the high demand of appointments and in order to be respectful of the medical needs of all of our patients please be courteous and call our office promptly if you are unable to attend an appointment. We always have patients on a cancellation list that need care.**

**If you are unable to keep your scheduled appointment, we require 24 hour notice.**

**There will be a \$35 charge for every appointment missed without proper notification (as mentioned above).**

**If you miss 2 appointments without proper notification (as mentioned above) we reserve the right to dismiss the patient from care.**
